1 Q. Yes.

2 A. I would have to look back in the paperwork.

3 Q. Okay. So I would like it if you could just
4 go through and tell me, from start to finish, what
5 happened that day for you?

6 A. Where do you want me to start, when I got out
7 of bed?

8 Q. Sure.

9 A. Okay. I got out of bed, I don't remember
10 what I did before that. I got ready to go. I went out
11 -- got ready to go run errands, and I was looking out my
12 window to see if I had any weeds in my flower bed. When
13 I looked across the street, that's when I saw the cop had
14 pulled in behind Josh.

15 So I stood there and watched everything that
16 transpired. They gave him a sobriety test, then they
17 handcuffed him and then they threw him to the ground, and
18 then the paramedics came, and all the other supervisors
19 came. And everything that went with that.

20 Q. Okay. So let's break it down.

21 A. Okay.

22 Q. I'll ask you as we go. So, what time did you
23 wake up that morning, do you remember? You hadn't just
24 woken up when you saw what was --

25 A. No, I probably got up around 9, 9:30.
